Project Location: Whitefield, Bengaluru

Total Units Registered: 480

Proposed Date of Completion: December 2027

Regulatory Compliance

This project is registered under the Real Estate (Regulation and Development) Act, 2016 (RERA). 70% of the amounts realized from allottees are maintained in a designated escrow account to be used only for construction and land costs of this project, as mandated under Section 4(2)(I)(D) of the Act.

Buyers are advised to verify the current status of this registration on the respective State RERA authority's official website before making any payment, since registration validity, extensions, and any regulatory orders are updated there directly by the authority.

Any structural defect or deficiency in quality reported by an allottee within five years of possession shall be rectified by the promoter without further charge, within 30 days of being notified, as per Section 14(3) of the RERA Act.
